INDUSTRIAL TRAINING CERTIFICATE

June 05, 2024

To whom it may concern,

This is to certify that **Sadia Afrin**, a student of Department of Electrical and Computer Engineering, Rajshahi University of Engineering & Technology (RUET), Roll No. 1910014 has completed the "Industrial Training (ECE 4100)" at **Square Informatix Limited** from Monday, March 18, 2024 until Tuesday, March 26, 2024.

During her stay in the company as a trainee, she achieved practical knowledge on software development & implementation procedures as well as gained basic concept on network & communication, Internet Service and VSAT Hub Operation.

She also completed a small software project "Inventory Management System" successfully on completion of the training.

In this training period, she displays enthusiasm, leadership, self-discipline and self-motivation.

We would like to wish her all the best.

Sincerely,

Goutam Basak
General Manager,
